

About Us

Save-A-Pet Animal Rescue & Adoption Center is a non-profit 501(c)(3) organization. Our mission is to rescue homeless, abandoned, and abused animals and place them in permanent, loving homes.

Every year, thousands of dogs and cats on Long Island are euthanized due to pet overpopulation. Save-A-Pet is committed to such programs as spaying and neutering, feral cat TNR (trap, neuter, and return), general education and public awareness.

We are located in the heart of Long Island, right in Port Jefferson Station. We are open 7 days a week, and open evenings on Tuesday and Thursday. Our friendly, relaxing atmosphere welcomes you to a true safe haven for animals.

Come in, and see what beautiful animals await you. We have many dogs and cats to choose from. You may even find a rabbit or ferret for adoption! Bring your dog along, too. He can meet his new buddy before the adoption is finalized. We believe every member of the family should be part of such an important decision!

There are many more programs waiting to be implemented at Save-A-Pet to benefit our animals and the children in our community. We are presently raising funds for a mobile educational and adoption vehicle, expansion of our spay/neuter facility as well as restructuring our present kennels. It is of the utmost importance that the animals are comfortable, stimulated and reassured while in our care. Future plans include a boarding and grooming facility to help support our shelter programs.

We hope you will join us for a wonderful evening of food, dancing and prizes. Flowerfield is a beautiful setting for our annual Fur Ball. \$50.00 of each ticket is tax-deductible. As always, your support is the heart and soul of our shelter.

Fur Ball

Every year, Save-A-Pet Animal Rescue hosts

“An Evening for the Love of Animals,”

a Dinner Dance and Auction to raise money for our non-profit organization.

It is also an opportunity to bring people together who share a common bond: a love for animals.

The animals in our care are depending on you.

We need your support now, more than ever.

This year makes it a decade and with your help and support over the past 15 years we have been able to expand our shelter, add a clinic, and help over eight thousand surrendered, abused, neglected animals find forever homes.

Our dedicated staff and volunteers thank you from the bottom of our hearts and we want to continue expanding and saving more animals. **With your support, we can.**
