

What Is Save-A-Pet?

Save-A-Pet Animal Rescue & Adoption Center is a non-profit 501c(3) organization dedicated to improving the lives of homeless, abandoned and abused animals in our community and beyond.

It is only through fundraising events and public donations that we are able to continue our work. Once an animal is brought to our facility, it has a guardian angel for life. No animals are ever destroyed simply because their "time" has run out. They stay with us until a new, loving home is found. If the new owner cannot keep it for any reason at any time, it is welcomed back at Save-a-Pet. All animals are spayed/neutered and are up to date on health records.

Sadly, Long Island has a tremendous overpopulation of dogs and cats. Tens of thousands are put to sleep each year. Our organization is committed to ending this problem of tragic proportions.

We hope you will join us in our efforts to make Long Island a safe harbor for all our companion animals. Please come visit our center. You never know, you may just find your new best friend!
