

About Us

Family-Owned and Operated, McPeak's was founded in 1956 by James and Katherine McPeak, both Registered Nurses. McPeak's Assisted Living is licensed by the New York State Department of Health and is dedicated to meeting the basic daily needs of those who are elderly, infirm or chronically disabled.

A Philosophy of Caring guides McPeak's to provide outstanding service based on the belief that it is a community responsibility to preserve the health, safety, comfort and general welfare of the elderly and infirm, who may be suffering from loneliness, anxiety or lack of attention. All at one-third the cost of a typical nursing home.

A Clean and Safe Environment describes McPeaks, where residents live in a comfortable home-like setting in a former mansion that has been updated to include numerous safety features and modern amenities.

Providing Excellent Care has allowed McPeak's to have met all the New York State Department of Health's requirements for over 50 years. McPeak's is dedicated to making sure that its reputation for excellent care and accommodations continues.
