

Public Relations Services

PRMG client, Sanford L. Pirotn, Esq., speaks at press conference with local media regarding the Innocent Demesyieux case.

24-hour news channels, local news, websites, blogs, social media, and email; news spreads fast. More than ever, whether you are a corporation, a non-profit or a professional organization, you need public and media relations to help communicate your message.

From product launches and event publicity to press conferences and crisis management, PRMG works with its clients to develop comprehensive communications strategies.

Led by John Zaher, an experienced communications professional and former public information officer for both Suffolk and Nassau counties, PRMG stands ready to help.

Contact PRMG today for a free consultation and strategic communications analysis.
