

# Our Community... Our Issues

Steve lives in Dix Hills with his wife Meredith and their two children.

**Steve Stern**  
*For County Legislator*

## Hold The Line on Taxes

Steve will encourage fiscal responsibility and expand upon the tax cut proposals made by County Executive Steve Levy. Steve will cut government waste, fraud and perks and will be our outspoken advocate for transparent and ethical government.

## Educational Oversight

Steve will always support our teaching professionals, but will also fully support the District Attorney's efforts to prosecute those who misappropriate taxpayer dollars for their personal use.

## Looking Out For You

In addition to his work on behalf of everyone living in our community, Steve will continue his efforts to protect our most vulnerable citizens: our children, the elderly and the disabled.

**'With your support, Steve Stern will be the partner I need to clean up Suffolk County.'** – STEVE LEVY, *County Executive*

## Preserve the Environment

Steve will work to protect our environment and will pursue the purchase of the Pidgeon Hill Woodlands, one of the last remaining pristine properties in our district to be preserved as open space. He is committed to smart and balanced growth planning for our future.

## Ensure Our Quality of Life

Steve is strongly opposed to the overdevelopment of our community and will continue to lead the fight against Wal-Mart, Tanger, and Orchard Park.

## Protect Our Community

Steve supports efforts to civilianize the police force, saving taxes and putting more officers in our neighborhoods, providing our community with safety and peace of mind.
